The Master Plan Update Team Would Like Your Feedback!

[Public Involvement Satisfaction Survey](#)

This voluntary survey is being presented to the public to evaluate the materials, presentations, communication techniques and overall effectiveness of this Project's public outreach efforts from June 2012 to December 2013. The Master Plan Update Team wants to ensure that they have provided the information you need in ways that are useful and relevant to you.

Please take a few moments to participate in this overall satisfaction survey and let us know what worked well, what didn't work well, and how we can improve for future public involvement efforts. We anticipate the survey will take under ten minutes to complete. The survey is accessible at www.ancmasterplan.com from January 21 - February 21, 2014.

Public Comments Still Being Accepted and Considered

Since the project's initiation in the summer of 2012, the Anchorage International Airport Master Plan Update team has been accepting and responding to public comments using a series of comment response reports (available in the project website [library](#)). Comments on the Master Plan Update will be accepted through the release of the draft Master Plan Update report (estimated Spring 2014), at which time the public will have an opportunity to comment on the document prior to final publication. The Airport will consider and respond to all comments received.
